Brookmont Capital Management Named Top Guns Manager by Informa Investment Solutions

Dallas, TX—February 17, 2018— Brookmont Capital Management has been awarded a Top Guns designation by Informa Investment Solutions' PSN manager database, North America's longest-running database of investment managers. The Brookmont Dividend Equity Strategy was ranked as the #1 US Large-Cap Value Manager, #3 US Large-Cap Manager, and #5 US Equity Manager for the 10-year performance of the Dividend Equity Strategy.

"Brookmont is proud of its history in managing dividend-equity portfolios for individuals, advisors, public pension plans, and major investment firms. We are honored to be named as the #1 US Large-Cap Value Manager and #5 overall US Equity Manager during the past ten years."

Brookmont Capital was named a Top Gun for its performance during the previous ten years.

Manager of the Decade: Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the latest 10-year period. Moreover, products must have returns greater than the style benchmark for the latest 10-year period and Standard Deviation less than the style benchmark for the latest ten-year period. At this point, the top-10 performers for the latest 10-year period become the PSN Top Guns of the Decade.

The Brookmont Dividend Equity Strategy is comprised of dividend-paying equities that cut across many areas of the general market. Holdings include large and mid-cap stocks, domiciled in the US and abroad, and an allocation in value, core, and growth sectors. The Strategy follows a low turnover philosophy and investments are held through a full cycle or longer.
